INT. ELECTRONICS STORE - DAY

Lenny stands in front of a TV. Jessica appears from behind.

JESSICA

Looking for a TV?

LENNY

Just browsing for now, I haven't
really decided.

JESSICA

The best seller is over here.

LENNY

Guess it doesn't hurt to take a
look...

lenny turns and approaches another TV.

JESSICA

Isn't that a view?

LENNY

It's incredible.

JESSICA

It's the new LED X690E Series.

LENNY

I've never seen anything so clear.
4k?

JESSICA

X-reality Pro with HDR. Comes in a 43," 55," and my favorite - 75".

LENNY

Pretty amazing. Smart TV?

JESSICA

Of course. Play "My top 10 movies of 2018."

Jessica's favorite list of movies appears.

LENNY

Very cool. Warranty options?

JESSICA

2 and 5 year available, or the manufacturer's 1-year built in.

LENNY

Alright! This is the one! Do you have a cart I could load one of these puppies onto?

JESSICA

Oh, I don't work here, I'm just watching TV.
